EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This rule change is necessary to ensure a safe and successful Kline Kids Fishing event. Block nets will be installed in Kline Pond beginning at noon on April 10, 2019 and several thousand trout will be planted into the netted-off areas along the shoreline on April 11, 2019. This will allow them time to acclimate to the pond prior to the event. On the days of the event, registered children will be allowed to fish within the netted areas. Public anglers will not be able to fish until the pond reopens on Sunday, April 14, 2019.
