**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This rule is needed to require the use of barbless hooks in waters of the Columbia River from the mouth upstream to the Washington/Oregon border at Hwy. 730. Recent director agreements between WDFW and ODFW align the two state's regulations on barbless hooks when fishing for salmon and steelhead. There is insufficient time to adopt permanent rules.
