Concise Explanatory Statement for Emergency Rule for Youth and Hunter Education Instructor Turkey Hunts

Rules amended as part of this rulemaking:

WAC 220-416-010 2018-2019, 2019-2020, 2020-2021 Small game and other wildlife seasons and regulations.

1. Background/Summary of Project:

The COVID-19 pandemic has caused the governor to put restrictions in place that prohibit leaving home unless necessary. To comply with the social distancing and public safety precautions associated with the COVID-19 threat, we are cancelling the youth turkey hunt that is scheduled April 4-5 as well as delaying the opening date for the hunter education instructor incentive turkey permits that were scheduled to open on April 1, 2020.

We will reassess to determine when the hunter education instructor incentive turkey permits can open. The next assessment is scheduled for April 6.

There is insufficient time to adopt permanent rules.

2. Reasons for adopting the rule:

The changes to the rule were made to avoid negative consequences related to disease transmission and to comply with the social distancing and public safety precautions associated with COVID-19 threats
