EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The Washington Department of Fish and Wildlife (WDFW) is delaying the spring bear hunt as part of an effort to help slow the spread of the COVID-19 Coronavirus. This decision is necessary to comply with Governor Inslee's recent statewide proclamation to extend "Stay Home, Stay Healthy" for all Washingtonians through May 4, 2020.

There is insufficient time to adopt permanent rules.
