EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is needed to close spring Chinook seasons in the Little Goose area of the Snake River, effective May 23, 2020. Based on effort and harvest observed to date, harvest allocation is expected to be reached May 22. There is insufficient time to adopt permanent rules.
