Purpose: WDFW is reopening its lands to overnight camping in Washington counties that have been approved to move to Phase 2 of the Governor's Safe Start plan where camping is otherwise allowed (e.g., campgrounds, water access areas, and dispersed camping on Wildlife Areas), including Okanogan and Clark counties. Individuals staying overnight on WDFW lands must comply with the social distancing and public safety precautions described in the Safe Start plan.

All lands within counties that remain in Phase 1 shall remain closed to camping to comply with the Governor's order to "Stay Home, Stay Healthy," and the Governor's Safe Start plan.

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
 That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Under the Governor's Safe Start plan, counties with an average of less than 10 new COVID-19 cases per 100,000 residents over a 14-day period are eligible to apply for a variance to move to Phase 2. The application process requires support from the local health officer, the local board of health, local hospitals, and the county commission or council. Each county must demonstrate that they have adequate local hospital bed capacity as well as adequate personal protection equipment supplies to keep health care workers safe and must submit a plan describing how they intend to comply with the provisions of the Safe Start plan.

Additionally, WDFW does not allow camping on its lands in western Washington in counties that currently remain in Phase 1; therefore, even if those westside counties that are currently in Phase 1 are approved to move to Phase 2, camping on WDFW lands would still be prohibited in those areas.

WDFW lands in those counties that remain in Phase 1 in central and eastern Washington where camping on WDFW lands is typically allowed shall remain closed to camping until further notice or the previous emergency rule (WSR 20-08-043) expires on July 23, 2020.

Individuals and families from the same household who use WDFW lands for camping must comply with the Governor's Safe Start plan for Phase 2, such as limiting travel distance, and practicing social distancing and self-sanitation measures. Individuals and families are also required to comply with any county COVID-19 requirements, which may include mandatory face coverings when recreating outdoors.

WDFW will continue to reassess the camping restrictions as additional counties are approved to move to Phase 2 of the Governor's Safe Start plan.
