Emergency Rules

- Immediately upon filing.
- Later (specify) October 1, 2020

Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes No If Yes, explain:

Purpose: The purpose of this rule is to increase the Chinook daily limit during the month of October from the mouth of the Columbia River to the Hwy. 395 Bridge at Pasco.

Citation of rules affected by this order:

New:
 Repealed: WAC 220-312-06000Y; WAC 220-312-06000A
 Amended: WAC 220-312-060
 Suspended:

Statutory authority for adoption: RCW 77.04.012, 77.04.020, 77.12.045 and 77.12.047

Other authority:

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This rule is needed to increase the Chinook daily limit 2 to adults. The fall Chinook run continues coming in above forecast and balance in the recreational allocation remains to enable a bag limit increase. This action is consistent with the pre-season plan for salmon fisheries and decisions made by the States of Washington and Oregon during compact actions on September, 3, September 9, September 17, and September 23, 2020.

Immediate adoption of this rule is necessary for the preservation of the public health, safety, or general welfare. Observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest. There is insufficient time to adopt permanent regulations.
