EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The Washington Department of Fish and Wildlife (WDFW) is repealing the target practice and burn ban. Cooler, damp weather conditions have reduced the risk of wildfire eliminating the emergency need to restrict activities to prevent new and multiple wildfires.
