**Bag Limit:** One black bear per black bear special permit season.

**License Required:** A valid big game hunting license, which includes black bear as a species option, is required to apply for a spring

black bear special permit. One black bear transport tag is included with a big game hunting license that has black bear as a species option.

**Hunting Method:** Hunters may use any lawful big game modern firearm, archery, or muzzleloader equipment for hunting black bear. The use of dogs or bait to hunt black bear is prohibited statewide.

**Other Requirements:** Hunters that are selected to hunt in GMUs located in grizzly bear recovery areas, as identified by the department, must successfully complete the annual WDFW online bear identification test with a passing score (80% or higher) or carry proof that they have passed an equivalent test from another state. The WDFW test may be taken repeatedly until a passing score is achieved. All hunters must carry proof of passing a bear identification test while hunting in the GMUs identified by the department.

**Harvest Check, Submitting Biological Samples and Bear Teeth:** All successful bear hunters must validate (notch) their bear tag consistent with WAC 220-413-020, notify the department within 72 hours of kill (excluding legal state holidays), provide the hunter's name, date and location of kill, and sex of animal. The unfrozen raw pelt, with evidence of sex attached, and the first premolar must be presented to an authorized department employee for ((sealing)) inspection within 5 days of notification of kill. All permit hunters must comply with harvest reporting and submission of biological samples as described above. Failure to comply with the submission of biological samples is a misdemeanor pursuant to RCW 77.15.280.
