**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** An emergency rule is necessary to protect Department lands from imminent risk of wildfire damage during a high fire danger period which is occurring currently and before permanent rules can be adopted. These additional prohibitions are needed immediately to protect humans, wildlife, and property.
