EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This rule is needed to open hatchery Chinook retention in the Icicle River. Returns of Icicle River hatchery spring Chinook salmon are sufficient to meet broodstock needs and to provide for sport angler harvest There is insufficient time to adopt permanent rules.
