EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Federal Endangered Species Act consultations on 2021-22 Puget Sound salmon fisheries have been completed (NMFS Consultation #WCR-2021-01008), and a Biological Opinion and Incidental Take Statement have been issued. Accordingly, Marine Area 13 salmon fisheries can be reopened consistent with preseason fishing plans.
