EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This rule is necessary to open salmon seasons in the Skagit River as agreed to with comanagers during the 2021 North of Falcon proceedings. Harvestable numbers of hatchery spring Chinook are forecast to return to Marblemount Hatchery. There is insufficient time to adopt permanent rules.
