EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This rule is needed to close salmon fishing in Catch Record Card Area 1. WDFW data indicates that coho quota will be reached by the end of the day Sunday August 29, 2021 in Catch Record Card Area 1. This rule is also adopted at the recommendation of the Pacific Fisheries Management Council and has been adopted for federal waters by the National Oceanic and Atmospheric Administration. There is insufficient time to adopt permanent rules.
