Effective date of rule:

Emergency Rules

- Immediately upon filing.
- Later (specify) April 29, 2022

Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes No If Yes, explain:

Purpose: The purpose of this emergency rule is to open commercial spot and non-spot shrimp fisheries in Puget Sound.

The provisions of this emergency rule:

Permanent rules regulating State Commercial Shrimp Harvest in Puget Sound and the Strait of Juan de Fuca require adoption of harvest seasons contained in this emergency rule. This emergency rule:

WAC 220-340-52000S

1. Clarifies the pot limit for shrimp pot fisheries is specific to each gear type and allows a separate maximum 100 pot limit for spot shrimp pots and non-spot shrimp pots respectively.
2. Opens spot shrimp quota areas, defines the first spot shrimp catch accounting period as being from May 1, 2022, to August 2, 2022, and allows 4500 pounds of spot shrimp to be harvested per license for the first catch accounting period.
3. Opens non-spot shrimp quota areas, defines the non-spot shrimp catch accounting week, sets a weekly per license catch limit of 700lbs, in subregions 1A, 1B, and 1C and region 2E, clarifies there is no weekly harvest limit in regions 3 or 2W, and sets a 175 ft depth limit in subregion 1A and subarea 23A East.

WAC 220-340-54000A

1. Opens region 3 shrimp trawl fisheries on May 1, 2022. Opens region 1 trawl fisheries as required by permanent rule.

Citation of rules affected by this order:

- New:
- Repealed:
- Amended: WAC 220-340-520, WAC 220-340-540
- Suspended:

Statutory authority for adoption: RCW 77.04.012, 77.04.020, 77.12.045 and 77.12.047

Other authority:

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: The emergency regulation is necessary to prosecute state commercial shrimp pot and trawl fisheries in Puget Sound. This rule allows harvesters to both respond to dynamic changes in market conditions and promotes full utilization of both the commercial spot and non-spot shares. These rules are in congruence with co-manager agreements. There is insufficient time to adopt permanent rules.
