Purpose: Opens Lake Roosevelt for recreational sturgeon fishing Citation of rules affected by this order: New: Repealed: Amended: WAC 220-312-060 Suspended: Statutory authority for adoption: RCW 77.04.012, 77.04.020, 77.12.045 and 77.12.047 Other authority: EMERGENCY RULE Under RCW 34.05.350 the agency for good cause finds: □ That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest. □ That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule. Reasons for this finding: This rule is necessary to open a harvest fishery for white sturgeon in Lake Roosevelt. White Sturgeon hatchery programs began in 2001 in British Columbia (BC) and 2004 in Washington. Stocking ranged from 2,000-12,000 juvenile sturgeon per year from 2001 to 2010 (including both Washington and BC releases). Survival of hatchery-produced juvenile sturgeon was higher than anticipated, resulting in a surplus of hatchery-origin sturgeon available for harvest from Lake Roosevelt.
