EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is needed to allow angling on Langlois Lake April 16, 2022 for veterans registered as part of the Project Healing Waters event. This event is intended to support physical and emotional rehabilitation of disabled active military service personnel and disabled veterans through fishing. There is insufficient time to adopt permanent rules.
