 Repealed: WAC 220-313-06000V  
 Amended:

**Other authority:**

**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** Salmon fishing in Catch Record Card Area 11 is being suspended for the rest of June because unmarked encounter limit has been reached and the harvest quota is also expected to be achieved by the end of the day Friday. The current estimate of Chinook harvest through June 2 is 450 of the total harvest quota of 580 (78%) and 512 of the total unmarked encounter limit of 432 (118%) set during the 2022 North of Falcon season setting process.
