- Yes No If Yes, explain:

Purpose: The purpose of this emergency rule to extend the Nooksack River, North Fork spring Chinook fishery through June 30, 2022.

This rule also maintains salmon seasons for the Skagit River and Cascade River that were originally set in WSR 22-12-021 on May 28, 2022 and WSR 22-13-004 on June 1, 2022, respectively.

- Amended: WAC 220-312-040
- Suspended:

Statutory authority for adoption: RCW 77.04.012, 77.04.020, 77.12.045 and 77.12.047

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This fishery was originally scheduled to close after June 12, 2022. River conditions have been poor for sport fishing a majority of the time since the fishery opened and current catch is well within guidelines, making the extension possible.
