EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Catch estimates for the Catch Record Card Area 7 summer Chinook fishery indicate that through July 16th, 2022, 44% of the harvest quota (800 of 1800) has been reached, as well as 17% of unmarked encounters (690 of 3,991) and 9% of sublegal encounters (230 of 2573). Sufficient quota remains for additional days of fishing to be added to the 2022 summer Chinook season.

This rule also maintains rules for Catch Record Card Areas 5, 6, 9, 10, 11 and 12, set by WSR 22-14-045, Order 22-118, filed June 27, WSR 22-14-086, Order 22-130, filed July 1, and WSR 22-15-019, Order 22-133, filed July 11, 2022.

There is insufficient time to adopt permanent rules.
