EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Chinook returns to the Hoodspport Hatchery have exceeded the pre-season expectation to date. Currently, there are enough fish in the hatchery to meet program goals. Co-managers have agreed on an additional day of fishing.

There is insufficient time to adopt permanent rules.
