Emergency Rules

- Immediately upon filing.
- Later (specify) October 13, 2022

Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?

- Yes No If Yes, explain:

Purpose: The purpose of this emergency rule is to prevent the spread of disease (*Mycoplasma ovipneumoniae*) to bighorn sheep from domestic goats and sheep on department lands. A preproposal has been filed, WSR 21-18-031 and proposed permanent rule making is scheduled to be in place by winter of 2022.

Citation of rules affected by this order:

New:
 Repealed:
 Amended: WAC 220-500-040
 Suspended:

Statutory authority for adoption: RCWs 77.04.012, 77.04.055, 77.12.047, and 77.12.240

Other authority: None

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: There is an existing and imminent threat on department land where pack goats are in close vicinity to wild bighorn sheep. The current threat of disease transmission could have dire impacts on State bighorn sheep populations during the upcoming recreational and hunting seasons. DFW has started permanent rulemaking to address this issue for the long-term and will accept additional public input during the rulemaking process.
