**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This emergency rule is needed to open the recreational razor clam season. Survey results show that adequate clams are available for harvest in Razor Clam Areas 1, 3, and 4, for recreational harvest. Washington Department of Health has certified clams from this beach to be safe for human consumption. There is insufficient time to adopt permanent rules.
