**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This emergency rule is necessary to open Cascade River coho fisheries seven days per week. Treaty coho fisheries in the Cascade River have concluded, therefore weekly closure days are no longer necessary to avoid gear conflicts.

This rule also carries forward Skagit River rules previously filed in WSR 22-22-019, on October 21, 2022.

There is insufficient time to adopt permanent rules.
