**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This rule is necessary to close commercial purse seine fishery openings targeting chum salmon in Puget Sound Salmon Management and Catch Reporting Areas 12, 12B, and 12C. In-season information suggests that All Citizens fishers are close to the harvestable share of chum at the given agreed to runsize levels. Fishery information from this week will be evaluated and inform future commercial openings for chum. There is insufficient time to adopt permanent rules.
