EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is necessary to return Nooksack River, North Fork fisheries to permanent rules, as written in WAC 220-312-040. Kendall Hatchery eggtake goals for hatchery steelhead have been reached, allowing opportunity for recreational anglers to access surplus hatchery steelhead that remain in the system.

There is insufficient time to adopt permanent rules.
