**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- ☒ That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.  
☐ That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This emergency rule is necessary to clarify that bottomfish, otherwise legal to retain, may be retained and landed with halibut onboard a vessel during the Southern Nearshore Fishery except on days the All Depth Fishery is open.

This rule also brings forward halibut seasons and rules set in WSR 23-08-023, filed March 24, 2023.

There is insufficient time to adopt permanent rules.
