EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is necessary to set salmon seasons in Catch Record Card areas 8-2 and 10, agreed to with co-managers during the 2023 North of Falcon season setting process and as listed in the 2023 List of Agreed Fisheries.

There is insufficient time to adopt permanent rules.
