EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is necessary to set salmon seasons in Catch Record Card Area 12 as agreed to during the 2023 North of Falcon season setting process. These rules are temporary until permanent rules, filed in WSR 23-13-072, take effect on July 16, 2023.
