EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is necessary to close salmon seasons in Catch Record Card Area 11.

The sublegal encounter limit for Catch Record Card Area 11 has reached 83% (3,209 of 3,845) of what was agreed to in this year's List of Agreed Fisheries (LOAF). Feedback from Puget Sound Sports Fishing Advisory Group and other members of the public indicated a desire to preserve salmon fishing opportunity for August. Therefore, WDFW will suspend the fishery now to preserve opportunity for later in the summer season.

There is insufficient time to adopt permanent rules.
