EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is necessary to make it unlawful to land or possess Chinook or wild coho in Catch Record Card Area 5 to enhance compliance and facilitate enforcement of fisheries with different retention rules in areas 4 and 5. This rule also carries forward previously filed changes to salmon seasons, allowing addition pink salmon to be retained as part of the salmon daily limit for Catch Record Card areas 5, 6, and 7.

There is insufficient time to adopt permanent rules.
