EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule is necessary to increase the pink salmon portion of the salmon daily limit.

The current run size estimate for Puget Sound pink salmon shows the return coming in above forecast, allowing for additional pink salmon retention in these Puget Sound Recreational Fisheries.

There is insufficient time to adopt permanent rules.
