STATE OF WASHINGTON

DATE: November 03, 2023

**Agency:** Department of Fish and Wildlife (Order 23-248)

**Effective date of rule:**

**Emergency Rules**

- Immediately upon filing.
- Later (specify) November 7, 2023

**Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?**

- Yes  No If Yes, explain:

**Purpose:** The purpose of this emergency rule is to open commercial crab fishing in Puget Sound;

**WAC 220-340-45500Y**

- (1) Opens Puget Sound commercial crab harvest in Crab Management Regions 1, 2-East, 2-West, 3-1, 3-2, 3-3 and 3-4 at 8:00 a.m. on November 7, 2023, until further notice.
- (2) Closes Port Angeles Harbor to commercial crab harvest due to public health decrees.
- (3) Amends the Bellingham Bay tribal exclusive area to match what will be implemented in permanent rule.
- (4) Permits barging for 48-hours following the opening.

**WAC 220-340-47000V**

Sets pot limits by area for Puget Sound commercial crab harvest effective the dates listed in the amended section of WAC 220-340-455.

**Citation of rules affected by this order:**

- New:
- Repealed:
- Amended: WAC 220-340-455; WAC 220-340-470
- Suspended:

**Statutory authority for adoption:** RCW 77.04.012, 77.04.020, 77.12.045 and 77.12.047

**Other authority:**

**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** The state has remaining share to catch after accounting for recreational seasons in regions 1, 2-East, 2-West, 3-1, 3-2, 3-3, and 3-4. These provisions are in conformity with agreed management plans with applicable tribes. These management plans are entered into as required by court order. The Puget Sound commercial season is structured to meet harvest allocation objectives negotiated with applicable Treaty tribes and outlined in the management plans. There is insufficient time to adopt permanent rules. Further adjustment of season structure may be made pending updated harvest data.

There is insufficient time to adopt permanent rules.
