EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: An emergency closure due to increasing marine toxins is needed to protect human health. The Washington Department of Health has confirmed biotoxin levels are increasing rapidly and will soon exceed the regulatory threshold. This emergency rule is needed to close the commercial razor clam season in Razor Clam Area 2. There is insufficient time to adopt permanent rules.
