EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This rule is necessary to extend sockeye seasons in Skagit River, from the Hwy. 536 bridge in Mt. Vernon to the Dalles Bridge at Concrete.

Current data indicates that minimal incidental Chinook encounters and available harvestable sockeye in the area are sufficient to provide an extension of the in-river sockeye season.

There is insufficient time to adopt permanent rules.
