EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: This emergency rule adds two days to the previously announced recreational crab seasons in Marine Areas 4 east of the Bonilla-Tatoosh line, 5, 6, 7, 8-1, 8-2, 9, and 12 north of Ayock Point. August 27 and 28 were added to keep the summer season length similar with previous years (Labor Day falls on September 2 in 2024.) The previously announced seasons for Marine Areas 10 and 11 are unchanged. This rule is necessary to achieve the 50/50 harvest defined by the Federal Court Order. Marine Area 12 south of a line projected due east from Ayock Point and Marine Area 13 will be closed. There is insufficient time to adopt permanent rules.
