**Agency:** Department of Fish and Wildlife (Order 25-52)

**Effective date of rule:**

**Emergency Rules**

- Immediately upon filing.
- Later (specify) April 9, 2025

**Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?**

- Yes  No If Yes, explain:

**Purpose:** This emergency rule closes recreational salmon seasons in Catch Record Card Area 10 and maintains previously announced salmon seasons for Catch Record Card areas 5 and 11.

**Citation of rules affected by this order:**

New:  
 Repealed: WAC 220-313-06000J  
 Amended: WAC 220-313-060  
 Suspended:

**Statutory authority for adoption:** RCW 77.04.012, 77.04.020, 77.12.045 and 77.12.047

**Other authority:**

**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

**Reasons for this finding:** This emergency rule closes recreational salmon seasons in Catch Record Card Area 10 and maintains previously announced salmon seasons for Catch Record Card areas 5 and 11.

Estimates of Catch Record Card Area 10 Chinook catch to date indicate anglers have reached 99% of unmarked encounters (735), 70% of the total encounters (4,787), and 36% of sublegal encounters (4,055) agreed to in the current List of Agreed Fisheries (LOAF). It is necessary to close Marine Area 10 recreational salmon seasons due to reaching or exceeding fishery controls.

There is insufficient time to adopt permanent rules.
