All areas of Puget Sound are closed to commercial salmon fishing.

A post season meeting for Puget Sound commercial salmon fisheries will be held at [WDFW's Region 4 Headquarters](#) in Mill Creek on Thursday, January 4, from 10 a.m. to noon. Similar to previous years we will re-cap the 2017 season with preliminary catch numbers, management actions and general discussions of the 2017 season. We will also be providing schedules and information for the upcoming 2018 [North of Falcon](#) process.
