Join us at the 22nd annual
Merwin Special Kids Day

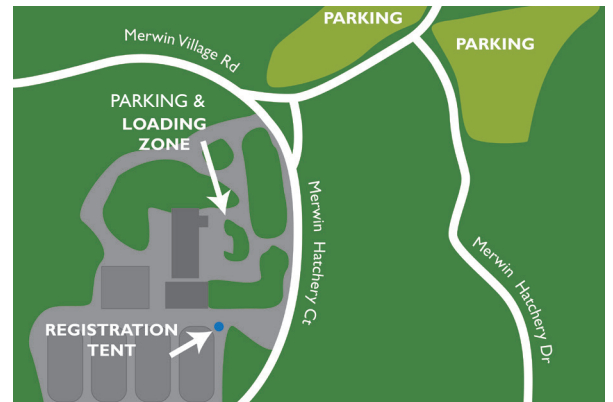

Saturday, July 9, 2022

Sponsored each year by Pacific Power and Washington Department of Fish and Wildlife, this day of free activities was created to introduce children with disabilities to the joys of fishing. Children are provided a rod, reel and tackle; then they are paired with a volunteer to help them hook the big one. Games, educational booths, fun activities and a barbecue lunch are offered for all the participants and their families.
