

# Spokane Kid's Fishing Event

**Want to be a part of a great Kids Fishing Event  
and get your business or organization recognized?**

“Spokane Kids Fishing” Program Sponsor,

On **May 6, 2023**, the 22<sup>nd</sup> Annual “Spokane Kids Fishing” event will be held at **Clear Lake**. Up to 1,000 children, ages 5-14, along with their parents, are expected to attend and will have the opportunity to experience and learn about the sport of fishing.

This Spokane Kids Fishing program is sponsored and conducted by the Inland Northwest Wildlife Council, The Kalispel Tribe of Indians, the Washington Department of Fish and Wildlife, and numerous clubs. This program is directed at getting more kids involved in outdoor activities and building a base for future stewards of our natural resources.

Fewer and fewer kids are taking part in outdoor pursuits either because of environmental or economic factors. To create stewards for our natural resources we need to introduce children to the beneficial aspects of the outdoors and the fun of fishing as an individual and family activity.

We would like to ask for your support for this worthwhile event. Although we would welcome a donation of any amount, a donation of \$250 or more will allow your business or organization's logo to be printed on the back of every child's T-shirt. Please let me know if you have any questions or need further information. Let's help ***Get More Kids out there fishing!***

All donations should be made to the **The Inland Northwest Wildlife Council**. The Inland Northwest Wildlife Council is the main sponsor of this event and is a nonprofit organization with an IRS 501c3 non-profit status.

If you would like more information on how to participate as a sponsor, please contact:
