Good Afternoon Annette,

The list in Question 10 indicates that work outlined in the SEPA related to Forest Practices is dependent upon approval from WDNR for the Forest Practices Application, which has been submitted as you mentioned (#3020668). Activities related to Forest Practices will not commence until the permit is approved, regardless of the proposed timeline.

Thank you for your input,

Jamie Bass

Good Morning Jamie and Dale,
The following comment was received from Annette Painovich of DNR on DNS 15-065: OKANOGAN COMPLEX FIRE FOREST MANAGEMENT - Okanogan County.   Can one of you please respond/acknowledge receipt (as appropriate) of this to DNR and cc the SEPA desk for the record? Thanks.

FYI-The applicant has also applied for a Washington Forest Practices Permit for this proposed salvage harvest. The Forest Practices Application (#3020668) is out for review until 1/11/16. The decision to approve/disapprove is due on or before 1/27/16.

Thank you,

Annette Painovich
