Mr. Hansen,

Thank you for your email below outlining your concerns regarding the proposed Smalle Creek rotenone treatment. We take all comments into consideration, both in favor and opposed, before a final decision is reached as to whether or not to proceed with the proposed project.

I am completely against the brook trout fish removal on smalle creek. Most of the community feels the same way, yet last year the wdfw forged ahead anyway. I feel wdfw has been riding roughshod on the Pend Oreille community and will do what ever it takes regardless of public opinion.
