Mr. Peck,

I have reviewed your SEPA checklist and agree with your conclusion as stated in Question 13 that a cultural resources survey should be conducted for the project. I have attached a letter to that effect.

If you have any questions or concerns, please don't hesitate to contact me.

Matthew

The Washington Department of Fish and Wildlife has prepared the attached DNS in accordance with the State Environmental Policy Act regulation. This DNS is being circulated for review by all agencies with jurisdiction.

We appreciate your review of the proposal and return of comments no later than **5:00 pm on**

November 15, 2016. This proposal will not be acted upon before that time
