Re: DNS 16-067

Dear Ms. Wood:

Thank you for the opportunity to comment on the determination of nonsignificance for the Riverside Boat Ramp Repair project. We have reviewed the documents and have the following comments.

**SHORELANDS/ENVIRONMENTAL ASSISTANCE**

The proposed work will require further review by the Department of Ecology for a 401 Water Quality Certification. The applicant needs to submit a JARPA and supporting project drawings and documents to Ecology's Federal Permit Coordinator for further permit review and comment.

If you have any questions or would like to respond to these Shorelands/Environmental Assistance comments, please contact **Andrea Jedel** at (509) 454-4260.

Sincerely,

A handwritten signature in blue ink that reads "Gwen Clear".
