Subject: DNS 17-020: Tim's Pond Access Site Renovation
US 12 milepost 184.24 right and milepost 184.27 right

We have reviewed the proposed project and have the following comment.

The proposed project is adjacent to U.S. Highway 12 (US 12), a Class 2 managed access facility with a posted speed limit of 60 miles per hour. The property has two existing grandfathered approaches at milepost 184.24 right and milepost 184.27 right. No new approaches will be allowed. A new permit for each approach must be obtained. The property owner should contact Mark Kaiser of the WSDOT South Central Region Planning Office at (509) 577-1668 for specifics.

Thank you for the opportunity to review and comment on this proposal. If you have any questions regarding our comment, please contact Jacob Prilucik at (509) 577-1635.

Sincerely,

Paul Gonseth, P.E.
