Ms. Mendoza-

WDFW acknowledges your comments regarding the need for a shoreline substantial development permit. WDFW has already begun the application process with Cowlitz County. WDFW is also seeking a Corp permit and a Hydraulic Project Approval.

Thank you!

Importance: High

Ms. Wood,

Attached are Ecology's comments for the Beginner's Hole Erosion Correction Project (Ecology SEPA No. 201801179). This is the original final copy. Comments are due today 3/22/18.

Please reply to this message for confirmation.

Please use the correct acronym "ECY" for the Department of Ecology (DOE is US Department of Energy).
