**Subject:** SEPA response to Ecology for Keller Ferry Dock Rehabilitation, File # 18-023  
**Date:** Monday, May 07, 2018 3:51:59 PM

---

Thank you for your review of the Determination of Non-Significance and Adoption of an Existing Environmental Document for the Keller Ferry Dock Rehabilitation project.

WDFW has communicated with the National Park Service, Jon Edwards, regarding Ecology's SEPA comments and confirmed that all of Ecology's recommendations will be followed in regards to waste.

Thank you for your time,

Jason Kunz
