Subject: Diablo Lake Boathouse Replacement/Relocation Project Ecology SEPA # 201802642

Tracy,

Thank you for your review of the Diablo Lake Boathouse Replacement/Relocation Project. WDFW has communicated with Sam Fox and Rob Burrows, NPS, regarding Ecology's SEPA comments and confirmed that the project area is less than 1-acre in size and is not associated with any other project that would push it over the 1 acre threshold.

Respectfully,

Wayne Watne
