Subject: DNS 18-041 North Fork Manastash Creek and Lower Umtanum Creek Wood Replenishment
Date: Monday, July 02, 2018 2:49:33 PM

Gwen Clear,

Thank you for the review of the determination of nonsignificance for the North Fork Manastash Creek and Lower Umtanum Creek Wood Replenishment project. The proposed actions will follow methods to protect water quality in these creeks from degradation during the planning, development, and construction phases.
