Dear Ms. Kincheloe:

The Washington Department of Fish and Wildlife (WDFW) appreciates the comments and direction that The Department of Ecology (Ecology) has provided in review of our proposed project on Blue Lake located in Grant County, (Ecology File #: 201901814). These comments have been shared with WDFW staff assigned to complete the proposed project, and will shortly begin the permitting process with Grant County, Corp of Engineers, WDFW Hydraulic staff as well as closely coordinate with DAHP to ensure Cultural and Historical values are identified and protected.

Thank you for reviewing the SEPA and providing the appropriate Ecology staff contact information.

Most Sincerely;

Larry W. Peck
